A hand-drawn site plan of a street intersection. The plan shows a horizontal street and a vertical street intersecting. A north arrow is located at the top center, pointing upwards. On the left side of the horizontal street, there is a circular feature with a radius line drawn from its center to the top-left edge. A vertical line labeled "MIDWAY SL." runs through the center of this circle. The horizontal street has a "CENTER LINE" marked with a dashed line. A vertical line labeled "CENTER LINE" runs through the center of the vertical street. A horizontal line labeled "EDGE OF PAVEMENT - BACK OF CURB" is located below the horizontal street. A point on this line is labeled "TEE" with an arrow pointing to it. A distance of "16'" is marked from the "TEE" point to the "CENTER LINE". A distance of "852'" is marked from the "TEE" point to the "CENTER LINE" of the vertical street. A handwritten note "Ext 2" Paving" is written near the "TEE" point. A rectangular area labeled "Green circle" is located below the horizontal street. A line labeled "New P. Set" points to a point on the "Green circle" line. A rectangular area labeled "Ret. of 40 S.C." is located below the "Green circle" line. A rectangular area labeled "1107" is located below the "Ret. of 40 S.C." area. A rectangular area labeled "CENTER LINE" is located on the left side of the horizontal street. A rectangular area labeled "CENTER LINE" is located on the right side of the vertical street.
