Hand-drawn engineering plan view of a street intersection. The drawing shows Little John St. running horizontally and Poplar St. running vertically. A large circular structure, possibly a manhole or vault, is located on the north side of Little John St. A rectangular structure, possibly a vault or manhole, is located on the east side of Little John St. A north arrow is located at the top center. Dimensions and notes include: "71' New 3/4" p. Service Tested. 100# for 1/4 hrs." with an arrow pointing to the rectangular structure; "81 1/2'" with an arrow pointing to the rectangular structure; "Exist 2" p. main." with an arrow pointing to the horizontal center line; "EDGE OF PAVEMENT BACK OF CURB" with an arrow pointing to the horizontal center line; "341'" with an arrow pointing to the horizontal center line; "CENTER LINE" with an arrow pointing to the horizontal center line; "16' K" with an arrow pointing to the horizontal center line; "Little John St." with an arrow pointing to the horizontal center line; "Poplar St." with an arrow pointing to the vertical center line; "CENTER LINE" with an arrow pointing to the vertical center line; and "16' K" with an arrow pointing to the vertical center line.
